Welcome to the 40th Annual Central Maine Egg Festival

*"The mission of the Central Maine Egg Festival is to
provide a venue where small central Maine non-profit groups
can have a successful annual fund-raiser."*

I would like to start out by saying thank you to everyone who has made this year a success and more importantly made it possible. The committee has put in countless hours and an immeasurable amount of effort into this year's Festival and I hope that everyone agrees with me that it has been a success. I would also like to give thanks to the past President for all her efforts in rebuilding the Egg Festival while sticking to the roots of what it is all about.

This year's theme is "THE 40TH EGGSTRAVAGANZA". We decided that it would be a good idea to celebrate the past 40 years of tradition and to remain thankful that our community enjoys what the Egg Festival has and continues to be all about.

In a continued effort to expand the Egg Festival we have joined up with the BLB Flights to bring a Fly In back to Pittsfield. On Saturday, July 21st, the Airport will be having a Fly In. Tradition will be continued with events happening all week starting on Tuesday, July 17th. The Street Dance, Sidewalk Art Contest, Window Painting, Egglympics, a Concert in the Park and much more will be happening all week!

We hope that everyone enjoys the 40th anniversary of the Central Maine Egg Festival and encourage everyone to volunteer next year to keep this AMAZING tradition alive. There is a lot of work that goes into preparing for an event of this size and it takes a great community to make it possible.

Please have a safe and fun family experience and we hope to see everyone for years to come!

*Steve McCarron, President
Central Maine Egg Festival Committee*

WELCOME TO EVERYONE:

On behalf of the town of Pittsfield, I am extremely pleased to **welcome** all of our Town's citizens and our many guests to the 40th Annual Central Maine Egg Festival. As this will be the 40th Anniversary of this wonderful week of events, it will be an extra special Egg Festival. To celebrate four decades of the Egg Festival, this year's theme is the 40th "Egg"stravaganza.

Each year, an amazing number of people look forward to either attending or participating in this fun tradition. The Egg Festival is a very important activity in our community and the region. It provides a great opportunity for families and friends to see each other and share memories at home comings and family get togethers. We hope that every single one of our citizens has the opportunity to participate in this year's Egg Festival.

Thousands of visitors will come to enjoy the festivities and be welcomed into the community by our citizens and businesses. Please visit our many parks and town facilities. We would encourage you to frequent the Town's businesses, restaurants and organizations. Our merchants look forward to this week in order to proudly display their services and products. There is something for everyone in this exceptionally friendly town located on the banks of the Sebasticook River. Please enjoy Pittsfield's hospitality!

A special thank you is extended to all of the members of the Central Maine Egg Festival Committee who have volunteered so much of their time and energy in planning the festivities. This year we were very fortunate to have a large group of volunteers come together to plan the Egg Festival. We also sincerely thank all of the civic groups that help make the Egg Festival such a great family event each year. Putting together an activity of this magnitude and complexity always presents many opportunities. Congratulations to all for your amazing community spirit and contributions.

Our Town wishes you many Egg-sellent Egg-ventures at the 40th "Egg"stravaganza of the Central Maine Egg Festival.

Sincerely,

Kathryn Ruth

2012 GRAND MARSHALL

Choosing a Grand Marshal for The Big Parade is never an easy decision as there are so many in our community that are deserving. The committee always tries to keep in mind the Festival's core values. Commitment, dedication, community service are but a few of the ideals we look for during this process. This year's theme is the "40th Eggstravaganza" which has made this task a challenge. While there are numerous people in the community that are more than qualified for such an event, the committee must pick one to represent the 40th anniversary.

When it came time to select the Grand Marshal this year, there were a few stand out candidates. This Festival has been kept alive for the past few years by an individual who showed commitment, dedication, and did it all for the community. Please help us thank and congratulate **Deb Billings** for her hard work and loyalty that went into keeping the Central Maine Egg Festival alive!

Contestant will have to run to cone secure egg between chin and chest and run back to start line where there will be a bucket. The catch is when every contestant returns they must swing arms and cluck like a chicken. The winner will be the contestant with the fastest time.
