STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Paul R. LePage
GOVERNOR

Dear Citizens of Pittsfield:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Some are pushing to raise the minimum wage, but I want Mainers to earn a maximum wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here in Maine. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Another of my priorities is to lower the cost of student debt in Maine. If young people are struggling with too much student debt, they are unable to afford homes or vehicles. We are now offering programs to help them lower their debt, stay in Maine, begin their careers and start families.

To provide good-paying jobs for our young people, we must also work hard to reduce our energy costs. High energy costs are a major factor in driving out manufacturers, mills and other businesses that need low-cost electricity. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to heat and power their homes affordably and effectively.

And finally, we are making progress to address the drug pandemic in our state. It is my most important duty to keep the Maine people safe. While education, treatment and prevention efforts are important, we must get the dealers off the streets. I am pleased the Legislature has finally agreed to fund my proposal for more drug agents to stem the supply of deadly opiates flowing into our communities, but our law enforcement agencies are still understaffed. We must do more.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage
Governor

United States Senate

WASHINGTON, DC 20510-1904

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from 2015.

Growing the economy by encouraging job creation was and remains my top priority. The tax-relief bill signed into law at the close of last year contains three key provisions I authored to help foster job creation and provide small businesses with the certainty they need to invest, grow, and, most important, hire new workers. Another provision I authored that became law last year gives a boost to both Maine's economy and traffic safety. This provision permanently changed the federal law that previously had forced the heaviest trucks onto our country roads and downtown streets, rather than allowing them to use Maine's federal Interstates. In addition, I was glad to help secure another significant award for the University of Maine's deepwater offshore wind initiative, which has the potential to advance an emerging industry and create thousands of good jobs in our state.

Maine's historic contributions to our nation's defense must continue. In 2015, I secured funding toward a much-needed additional Navy destroyer, likely to be built at Bath Iron Works. Modernization projects at the Portsmouth Naval Shipyard that I have long advocated for were also completed, as were projects for the Maine National Guard.

I was also deeply involved in crafting the new education reform law to better empower states and communities in setting educational policy for their students. The law also extends a program I co-authored that provides additional assistance to rural schools, which has greatly benefitted our state. A \$250 tax deduction I authored in 2002 for teachers who spend their own money on classroom supplies was also made permanent last year.

As a result of a scientific evaluation of the nutritional value of potatoes required by a law that I wrote, the wholesome fresh potato finally was included in the federal WIC nutrition program. I also worked on other issues important to Maine's farmers and growers, including research on wild blueberries and pollinating bees.

As Chairman of the Housing Appropriations Subcommittee, I have made combating veterans' homelessness a priority. This year's housing funding law includes \$60 million for 8,000 new supportive housing vouchers for homeless veterans. Since this program began in 2008, the number of homeless veterans nationwide has dropped by one third. Maine has received nearly 200 vouchers to support homeless veterans.

Last year, I became Chairman of the Senate Aging Committee. My top three priorities for the committee are retirement security, investing more in biomedical research, and fighting fraud and financial abuses targeting our nation's seniors. I advocated for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. The Senate also unanimously passed my bill to support family caregivers. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance and has already received more than 1,000 calls.

A Maine value that always guides me is our unsurpassed work ethic. As 2015 ended, I cast my 6,072nd consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Pittsfield and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Constituent Service Center in Augusta at (207) 622-8414 or visit my website at www.collins.senate.gov. May 2016 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

RULES AND ADMINISTRATION

Dear Friends of Pittsfield:

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Much of my time in Washington this past year has been devoted to the Senate Armed Services Committee and the Select Committee on Intelligence. Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests. Also included in the bill are several measures I secured to promote local input, fund education technology initiatives, and explore new strategies to increase student access to the internet outside of school.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My amendments to the Every Student Succeeds Act will promote the type of work already occurring in Washington County, where students who lack broadband access are able to check out mobile hotspots from their local libraries. Additionally, a bill I co-sponsored, the Community Broadband Act, helped pave the way for the FCC to enact rules protecting the ability of municipalities to invest in better broadband. I am excited by Maine's leadership on this important economic development issue and will continue to support local efforts in this area.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine and provide stability to improve our transportation infrastructure. The legislation contains provisions I cosponsored to cut red tape and improve predictability and timeliness by streamlining the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine's community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small business across the state.

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation's most treasured landscapes and would generate resources for years to come. I remain deeply engaged in preserving Maine's natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that I have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide-range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; cosponsoring a

Senate-passed bill that addresses mothers struggling with addiction and the alarming effect it has on newborns; cosponsoring the TREAT Act, which expands the ability of medical specialists to provide life-saving medication-assisted therapies for patients battling heroin and prescription drug addiction; and calling on the Commander of U.S. Southern Command to increase efforts to stop the flow of heroin at our southern border.

I like to think of Maine as a big small town – and in a small town, the leaders are accessible and eager to listen. In that spirit, I've made it a priority to stay connected with people from all over Maine who e-mail, write, and call with suggestions or questions. If I can ever assist in your interaction with a federal agency, or you have thoughts, concerns, or personal input on a matter that is currently before Congress I hope you will contact me, let me know where you stand, and engage in this critical part of democracy. Please call my toll-free line at **1-800-432-1599** or one of my offices: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at www.king.senate.gov/contact.

As always, I am honored to represent the people of Maine and look forward to working with you for the betterment of our great state.

Sincerely,

Angus S. King, Jr.
United States Senator

Dear Friends and Neighbors:

I am so grateful and thankful that you've selected me to represent you in the Maine Senate. I am honored that you've put your trust in me and I will continue to work tirelessly for the betterment of you and your neighbors, as well as for the great State of Maine. Please let me provide you with a recap of the first session of the 127th Legislature as well as my hopes for the second session, which has just begun.

The most important item on our to-do list is clear: our state needs more jobs at all levels of the pay scale, so it is our responsibility and my solemn promise to work to expand economic opportunity for all Mainers. To this end, my fellow legislators and I accomplished a great deal during the first session of the 127th Legislature.

We passed a biennial budget that ensured that more Maine families received a tax cut, even more than did in the previous "largest tax cut in Maine history" in 2011. This year's budget also stopped taxes on military pensions, so those who have sacrificed for our country can feel welcomed and at home in our state. We also restructured portions of our welfare system, increased funding for nursing homes, and put far more funding towards eliminating waitlists for services for brain-injured and intellectually disabled Mainers.

I'm really looking forward to watching how the significant changes we've already made will better the everyday lives of Mainers. I wanted to serve in Augusta in order to have an impact on the direction of our region and our state. Passing vital legislation (and, sometimes, stopping bad legislation) has remained one of my top priorities.

As you know, more changes are necessary. This year, during the second session of the legislature, we need to make progress towards addressing the cost of energy in this state. There are a number of bills that have been proposed that would change the way our state's energy system works, and I look forward to working hard on legislation that would lower your energy costs. I also believe that working to provide support to areas hard-hit by recent mill closings should be a focus of the 2016 session. Fighting the war on drugs here in Maine will also be a top priority for lawmakers. Several bills have been proposed that will aid officers in combating the drug epidemic.

You have my humble and sincere thanks for allowing me to represent you in Augusta. Please feel free to contact me at 207-287-1505 or at rodwhittemore@gmail.com if you have comments or questions, or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

Rodney Whittemore
State Senator

LETTER TO THE TOWN OF PITTSFIELD

Dear Neighbors:

It is an honor to continue to serve as your State Representative. During the 2016 legislative session we will discuss urgent legislation and bills carried over from 2015. All legislative work is scheduled to be completed by mid-April.

Our top priorities for this session include strengthening the economy, growing good-paying jobs and solving the state's drug crisis. We are also committed to ensuring the release of the voter-approved Land for Maine's Future bonds, growing the agricultural sector and investing in broadband and renewable energy so we can boost Maine's economy.

Whether we are dealing with the above issues or any other topic, I stand ready to work with all of my colleagues, regardless of party affiliation, to make sure we're doing the best work we can for the people of our district and all the people of Maine.

Please feel free to contact me with any questions or concerns or if you need assistance with state government. I can be reached by email at Stanley.Short@legislature.maine.gov or by phone either at home 660-2434 or at the State House 1-800-423-2900.

Once again, I am honored and grateful for the opportunity to serve you.

Sincerely,

Stanley B. Short, Jr.
State Representative

Pittsfield

Excellence in Education

Jason Tardy
Superintendent of Schools

To the Citizens of Burnham, Detroit, Pittsfield:

I am happy to be able to provide a review of the ongoing work that students, staff and Board Members are doing in MSAD #53 during the 2015-2016 school year. The district continues to embrace a strong vision with a mission to provide our students the highest level of education in preparation for life in the 21st century.

*The mission of MSAD #53 is to provide all students an equal educational opportunity by offering age appropriate, **comprehensive**, challenging programs that encourage all participants to maximize their potential and become well rounded, **socially responsible, critical thinkers and lifelong learners. In collaboration with all stakeholders we will strive to create a climate that fosters respect for diverse learning styles in a safe and caring environment in which cooperation and self-esteem are valued.***

The start of a new school year is always marked with the welcoming of new members to the district as the system looks to fill the shoes of departing staff. I am happy to be returning to the district after 9 years of administrative work, and have been pleased to find that the strong work ethic I remember still fills the hallways of the schools. New staff members include teachers Kristie Canfield, Cheri Belanger, Melanie Poirier, Sophia Sourgiadakis, Gayle Middleton, Trisha Kurt, Michaela Reif. We have also welcomed support staff, Katie Pinkham, Tessa Beauregard, Marilyn Graham, Heather Cassidy, Terri-Jean Wilkinson, Donna Hammond, Christine Flood, Rodney Gardner and Lorraine Bouffard. Nicole Reinholt has joined the district as the director of special services.

The district has made great strides in the last two years and is continuing with initiatives that have allowed our students to make significant academic steps forward. Each of our grade levels continues to look at how proficiency based education will impact and benefit our students as we transition to this style of education. At the elementary level we continue to see great benefits from the Kindergarten Jump Start (KJS), a 90% literacy goal, as well as the continued use of 1:1 technology for grades K-2. The goal is for continued expansion of technology into the 3rd grade for next year. The technology integration position is an important support piece for teachers who are looking to get the most out of technology for their students. At the middle school level, Expeditionary Learning has continued to shape how information is delivered to students and more importantly how the students demonstrate their own learning. The connections to community through authentic learning opportunities is extremely valuable. Students who are self-motivated to learn are the pride of a community. This program is a generator of this kind of learning.

The MSAD 53 Board of Directors continues to support the growth and development of the district's educational offering. Committee work is ongoing and includes some of the work highlighted below:

- Work to address the needs of an aging infrastructure with an eye toward the future has been the goal of the Building Committee. The Manson Park building continues to be a focus and may be the recipient of the Revolving Renovations Funds sometime this summer.
- The Budget Committee continues to provide oversight and accountability to the finances of the district. The shift of burden from the State level to the local municipalities has focused committee work on developing a budget that is fiscally responsible and supportive of the need to move the district towards 21st century learning at the same time.
- The Policy Committee is re-visiting policies involving student/staff health and safety as well as the District Wellness policy.
- The Advisory Committee has met to continue aligning the goals of both MCI and MSAD 53. This is a partnership, tested by time and solid in the commitment to provide the highest level of education for our students grades Pre-K through 12.
- The Curriculum Committee is still tasked with overseeing the shift to proficiency based education. This is not an easy task as input from both state and federal levels has truly made this a moving target. Regardless, you can be confident that our students are still learning and receiving an education to be lauded as one of the best in Central Maine.
- Under the Professional Growth and Evaluation Committee, work on the teacher and leader evaluation plans continues. The State of Maine has provided an extension to this work in the form of an additional pilot year which will conclude at the end of next school year.
- The Personnel Committee is looking at the administrative performance review process.
- Collective Bargaining Agreement negotiations are in process for teachers and a new agreement will need to be in place for the start of next year.

These are dynamic times for our educational institutes. The shift in funding from State level to municipalities is forcing tough decisions and placing heavy demands on prioritizing the needs of our students. This is not a situation unique to our community and I expect that there will be much conversation in this regard during the upcoming year. Additional funding (while still an overall reduction) for next school year has been approved by the legislature and governor. The bill that approved this additional funding provides for a study to evaluate shortcomings of the current funding formula and review teacher pay and special education spending, among other topics.

MSAD 53 is a strong school district with a track record of providing for and expecting a top tiered education for its students. Since returning to the district I remain impressed with the level of devotion the staff and community has for these students. I am confident that as a community we can meet the demands of changing educational philosophy, shifting funding formulas and dynamic demographics today while providing our students with the ability to succeed tomorrow.

Sincerely,

Jason Tardy
Superintendent of Schools

Town of Pittsfield

**112 Somerset Avenue
Pittsfield, Maine 04967**

PH: (207)487-3136 FAX: (207)487-3138

E-mail: townmanager@pittsfield.org

To the Citizens and Taxpayers of Pittsfield:

I am pleased to present the Annual Report for the Town of Pittsfield. This report compiles Pittsfield's Municipal services for the operating period of January 01, 2015 - December 31, 2015. Activity reports from the town departments, MSAD #53, and agencies associated with the Town are included in this document with this year's audit report.

It has been an interesting and challenging year for the Town as we work to advance the opportunities in the community created by the recovering economy in Central Maine and Somerset County. While we have been extremely frugal with town expenses, we are pleased to report advancements. 2015 was a very rewarding year for the community as we continued to work on projects, apply for grant opportunities to upgrade services for our citizens, close out multiple awards and enhance programs for our residents and businesses. Most of the projects scheduled or underway were required to keep facilities going, meet state and federal mandates and to enhance the community's quality of life in the future. The Town strives to continue rehabilitation of town properties, projects and services. The Town continues its focus upon economic and community development projects in a time when economic growth has been very slowly increasing in the State. If citizens or businesses have ideas on how to finance needed improvements without using tax dollars, please let us know your thoughts. We are very proud of the community and will continue to promote growth and development.

Through teamwork, cooperation, and the achievement of common goals, our Town has addressed the following issues:

- ✓ Authorized the issuance of \$445,000 in General Obligation Bonds for the low interest loan application approved by the State's Clean Water State Revolving Loan Fund (CWSRF) for the Peltoma Avenue Sewer Main replacement.**
- ✓ Ordained an Emergency Ordinance Moratorium on Methadone Clinics with said reenactment to become effective immediately pursuant to the Town's Regulations.**
- ✓ Authorized the Town Council to sign the Expense Warrants upon recommendation of the Finance Committee for the year 2015.**
- ✓ Signed the Certificate of Commitment for Sewer User Rates and Water User Rates during the Year 2015.**
- ✓ Signed the Earth Day Proclamation supporting community-wide activities for Earth Day 2015.**
- ✓ Signed the Arbor Day Proclamation supporting community-wide activities for the 2015 National Arbor Day and Maine's Arbor Day Week.**
- ✓ Authorized the Town Manager to hire Independent Review(s) as necessary in accordance with the Town's Bid Policy and/or the Federal Aviation**

Administration (FAA) regulations; and execute all paperwork for Airport Grants for the year 2015.

- ✓ Authorized the Town Manager to sign a lease agreement for high-speed internet services which will provide service for the Town's water and sewer facilities.
- ✓ Authorized the Town Manager to renew the Airport Lease to Cianbro Corporation for a five-year period through December 31, 2019 at the Pittsfield Municipal Airport.
- ✓ Authorized the transfer of an airport lease agreement between the Town of Pittsfield and Spirit Aviation Inc. to David Robinson upon provision of a certificate of insurance listing the Town as Additional Insured.
- ✓ Ordained to reenact by Emergency Ordinance the Town of Pittsfield Medical Marijuana Dispensary Moratorium Ordinance, with said reenactment to become effective immediately, pursuant to the provisions of the Town's regulations.
- ✓ Set to public hearing Ordinance amendments regulating Medical Marijuana Dispensaries and Methadone Clinics.
- ✓ After public hearing, ordained Ordinance amendments regulating Medical Marijuana Dispensaries and Methadone Clinics.
- ✓ Ordained a Five (5) year lease agreement with five (5) year renewals between the Town of Pittsfield and the Burns W. Knowlton Jr. Post 32 American Legion for parking spots at the southerly side of the Municipal Parking Lot on Map 25, Lot 70 adjacent to Middle Street for parking for the American Legion hall proposed for 123 Middle Street.
- ✓ Approved the bid specifications for the 2015 Peltoma Avenue Sewer Replacement Project under the Clean Water State Revolving Loan Program and authorized the Town Manager and Assistant Water/Sewer Superintendent to seek bids for the same once approved by the State of Maine Department of Environmental Protection (DEP).
- ✓ Authorized the Town Manager to execute the 2014 Project Canopy Assistance Agreement for the Pittsfield Community Project: Gateway to Downtown.
- ✓ Approved the issuance of a parade permit to Youth Haven Ministry for a 5K walk on May 30, 2015 and waived the permit fees.
- ✓ Signed the Applications for Catered Functions by Qualified Catering Organization for several MCI events to be held as part of the Annual Reunion.
- ✓ Authorized the Police Chief to seek State Highway Safety Equipment Grant Reimbursement in an amount to not exceed \$1,500 or 75% of the cost of a new radar system and to execute the required paperwork.

- ✓ **During the year, authorized the Town Manager and Deputy Tax Collector to issue notices of Tax Acquired Property Sale and place the three Tax Acquired parcels**

out to bid several times and then accepted bids for some of those properties and after public hearing, authorized the issuance of quit claim deeds.

The Town thanks all the volunteers on our committees/boards and projects who keep moving forward to serve the interests of the community. We are proud of our Town employees who continue to strive to increase productivity and the amount of work completed in this busy community as funding levels have been decreased, limited or frozen due to the state economy. Teamwork has been the key for the Town's development and growth while preserving the high quality of life offered by the community.

The Town is committed to enhancing opportunities for our citizens to work within our community by providing and promoting a positive community and economic development program. Extensive time has been spent working to the benefit of the community to provide opportunities from the challenges presented by the economy in Central Maine and Somerset County. The Town has also focused upon the achievement of projects listed in the community's Comprehensive Plan as best as possible within limited means. Most of our efforts have been spent focused on executing projects within multiple grant program requirements in order to continue to upgrade our infrastructure and to close out multiple project awards. We anticipate that 2016 will provide even more opportunities and challenges for our community and its citizens.

"It is our attitude at the beginning of a difficult task which, more than anything else, will affect its successful outcome."

William James

"The greatest thing in the world is not so much where we are, but in what direction we are moving."

Oliver Wendell Holmes

"No pessimist ever discovered the secrets of the stars or sailed to an uncharted land."

-Helen Keller

Office of the Town Clerk Annual Report 2015

The Town Clerk is responsible for maintaining and preserving all Town records and Official Town Documents. This includes all vital records we receive in the office, such as Marriage Licensees, Birth Certificates and Death Certificates.

Marriages	23
Births	50
Deaths	48

The Town Clerk's responsibilities also include issuing numerous types of licenses. The number of applications processed for 2015 are located after each licenses type. Lunch Wagons (1), Liquor Licenses (3), Special Amusement (2), General Business Licenses (8), Transient Seller of Goods (0), Dealer in Second Hand Goods (3), Parade Permits (9), Solid Waste Collectors Licenses (2) as well as Yard Sale Permits (135).

The Town Clerk is also responsible for issuing and reporting on several State licenses. These include ATV, Boat and Snowmobile Licenses, as well as Hunting and Fishing Licenses.

ATV	139
Boat	254
Snowmobile	198
Hunting & Fishing Licenses	383

The Town Clerk's office also issues and reports on dog licensing for the Town of Pittsfield. There were 522 dogs registered in 2015. There were no kennel licenses issued in 2015. All dogs 6 months and older are required to be registered with the Town. This registration needs to be completed on or before January 31st to avoid late fees. A current Maine rabies certificate must be presented at the time of registration. Proof of spay or neutering must be presented at initial registration.

Another responsibility of the Town Clerk is conducting Town and State Elections and maintaining Voter Registration. I would like to take this opportunity to thank the citizens who served at the Election this past year. It would not be possible to have a successful election without their hard work and dedication.

If anyone is interested in working at the Elections, please contact me at clerk@pittsfield.org or at (207) 487-3136.

Respectfully submitted,
Nicole Nickolan
Pittsfield Town Clerk and Registrar of Voters

Pittsfield Police Department

2015 Annual Report

The Pittsfield Police Department is pleased to submit the following report for the 2015 year.

There are six full time police officers at the Pittsfield Police Department, including Sergeant Tim Roussin and Chief Steven Emery. There are also five part-time Police Officers.

Other News about Pittsfield Police Department:

The Pittsfield Police Department would like to remind the public to please use the appropriate phone numbers for all complaints. The number you should use to request an Officer for all general complaints is: 487-3101, this number rings through to the Communications Center in Skowhegan and then right to the duty Officer. If you have an emergency, of course dial 911. For administration and information, the number to dial is 487-4439.

Pittsfield Police Officers are trained to work independently and strive to achieve community policing techniques. Citizens should remember that there is only one officer on patrol during most shifts, therefore response times can vary from time to time. Please realize that the on duty officer will respond as quickly as possible to your call.

All Pittsfield Police Officers work with many outside organizations: Sebasticook Valley Healthy Coalition, Sexual Assault Response Team, Somerset County Communications Advisory Board, and S.A.D. #53 Alternative Education Committee, and the Under Age Drinking and Drug Task Force. Chief Emery is a member of the Maine Chiefs and National Association of Chiefs of Police.

Note: We have again added call types to better show the actual type of calls received.

PITTSFIELD FIRE DEPARTMENT 2015 ANNUAL REPORT

Our call volume of 214 calls for 2015 was down nearly 20 percent from 260 calls in 2014. This was due in part to the type of winter weather we had which resulted in an approximately 15% drop in motor vehicle crashes from 2014. Snow banks were higher and softer which allowed vehicles to simply slide through them and did not result in heavy damage, injuries, or the large amount of rollovers that occurred in 2014. Mutual Aid calls were down by approximately 33% from 2014. These two types accounted for nearly one half the decreased number of calls. At first glance it would appear that false alarms were down significantly but if the numbers from motor vehicle accidents, false alarms, and detectors are added together it is only down one.

Although the following sounds like a broken record we continue to be toned for incidents that are not an incident. Poor location information causes us, for some calls, to respond more than one apparatus because we are told that the incident is South of our interchange and it is in reality North or vice versa. This is a problem not only in our area or state but nationwide. This has created a situation, in some cases, where employers will not allow employees to leave until a second tone is sounded. This creates a significant lag time for true incident response.

We are faced with the same recruiting problem that has been reported in the news as a nationwide problem. Increased requirements, which in many cases are not law but an administrative rule, makes training extremely hard for people to obtain.

We continue to recertify in confined space rescue, which is required by Bureau of Labor Standards, to cover the Water and Sewer Departments anytime they make entry into a pump station, manhole, or catch basin. We also maintain our certification in hazardous material operations and continue to train on extrication and basic firefighting skills.

A note of interest is that again this year many calls were handled via a personal vehicle and no department vehicle was used. Although this is a sizeable savings to tax payers in fuel as well as wear and tear of these very expensive vehicles, we are discovering that it may be more beneficial to run the vehicles than to have them just sit for long periods of time. Due to this we are running vehicles to some types of calls, however, many times with lights only and stopping only momentary at the scene then returning to the station.

During the budget process we were allotted up to \$750,000 to replace Engine 1, which is 35 years old and in need of seriously expensive maintenance, and at this time we are in search of an aerial apparatus to meet the needs of the town and within the budget.

Respectfully submitted,

Bernard C. Williams
Fire Chief

PITTSFIELD GENERAL ASSISTANCE

In 2015, the General Assistance Department received numerous requests for assistance. The total expenditures for 2015 were \$10,276.99. The reimbursed by the State was \$5,872.21.

Respectfully submitted,

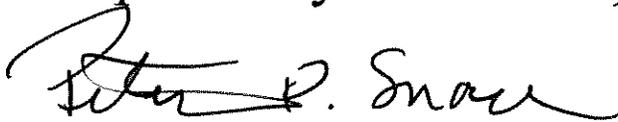

Emmalee Reed
Deputy Treasurer

Pittsfield Cemeteries 2015 Annual Report

In addition to the usual maintenance and care of the cemeteries, my crew and I will continue to make improvements on the roads. We will also expand work on the Powers Cemetery on Route 2, which we began in 2015. We will continue this work in earnest during the summer and fall of 2016.

My sincere gratitude to my outstanding crew: David Bertrand, Ryan Havey and Chris Pelletier. I would also like to express genuine thanks to Scott Noble for his continuous help and support throughout the year.

Respectfully submitted,

A handwritten signature in cursive script that reads "Peter D. Snow". The signature is written in black ink and is positioned below the typed name.

Peter D. Snow, Cemetery Sexton

PITTSFIELD PUBLIC WORKS DEPARTMENT

The Public Works Department is pleased to submit the following report for the year 2015:

There are four full time Public Works employees in the Public Works Department which includes the Foreman Steven Vance.

- The Public Works crew initiated a major reorganization and cleanup of the Public Works Yard which shall continue.
- Provided gravel road maintenance for the Sibley Pond road, Wilson road, Grant road, Hussey road, Armstrong road, Taylor road, Johnson Flat road, Transfer Station drive and McCarthy Street by cutting down shoulders, grading and maintaining ditches, culverts and roadside brush as needed.
- Provided paved town road maintenance for both in town and rural roads by keeping streets patched, swept, shouldered and catch basins or culverts clear and in working order.
- Completely restocked the Winter Sand stockpile as it was fully depleted from the previous season.
- Closed out the Somerset Ave. ADA Sidewalk Project.
- Removed and cleaned up degraded or damaged trees on Madawaska Ave., First St., Lancey St., Nichols St., Peltoma Ave. Somerset Ave, and throughout town.
- Paved approximately one mile of road throughout the town on both rural and in-town roads. This was performed on the Beans Corner Road, Higgins Road and at various intersections in-town as well as repaving of the parking lot immediately behind the town office.
- Removed and kept snow cleared as needed for in-town parking areas, sidewalks, etc.
- Sanded and/salted both Rural and in-town roads as needed throughout the Winter Season.
- Maintained, serviced or repaired Town Equipment and Vehicles as required.

I would like to express my sincerest thanks to the Public Works crew for a job well done.

Town of Pittsfield Buildings & Grounds

For 2015 the Town Crew worked on numerous facilities support projects throughout the town:

- One member of the Public Works Department is responsible for mowing the Pinnacle ski slope, Fendler, Stein, Remembrance, Hathorn and Veterans' Memorial Parks. Town Garage, Town Office, Library facility grounds and various town islands.
- Public Works crew opened the public swimming pool for summer use and closed the summer pool in the fall.
- Public Works crew supported or assisted Town Office, Town Garage, Movie Theatre, Historical Depot House Museum and Library Facilities with guidance, maintenance or repairs

Respectfully submitted,

Steven Vance

Public Works Foreman

PITTSFIELD TRANSFER STATION 2015 ANNUAL REPORT

The Pittsfield Transfer Station sent 2167.64 tons of Municipal Solid Waste (MSW) to the Penobscot Energy Recovery Corp. in FY 2015. This was a 0.5% increase from 2014. The demolition debris disposed of at the landfill increased to 331.49 tons in FY 2015 which represents about a 8.5% increase from the previous year. The total cost to dispose of this material at Penobscot Energy Recovery Corporation LLC cost the taxpayers, over \$135,000 in tipping fees. Although this is a significant amount of money our solid waste budget is still significantly less than other communities with similar populations. We also were able to save roughly \$42,000.00 by segregating out the brush from the demolition wood at the woodpile area. The continued effort of the citizens of Pittsfield to recycle and reuse more materials from the solid waste stream is simplest or easiest way to save tax payers money. The second way to save increasing costs is to properly place all materials in their designated areas at the direction of the attendants ensuring a fee free facility. I will continue to try to keep our Transfer Station a fee free facility well into the future. I would like to thank all of the employees and citizens for their continued patience and support.

Respectfully submitted,

Don Chute
Transfer Station/ Recycling Coordinator

PITTSFIELD RECYCLING CENTER

2015 ANNUAL REPORT

The Pittsfield Recycling Center is directly responsible for the processing the recyclable commodities that are removed from the Towns' Solid Waste stream. A total of 1148.36 tons of recyclable materials were shipped out of the facility in FY2015. This total saved the taxpayers \$51,122.00 in avoided costs if we had thrown these materials in the garbage. The Town's recycling rate for 2015 will be down drastically primarily due to the loss of some of our bigger businesses closing in the past year. We have had great participation in our program from residents but we will have to make a better effort to recover more materials due to the loss of commercial recycling. It is going to be a priority in the next few years to try to increase the amount of materials we accept for recycling and reuse more materials because of the town is going to start disposing of MSW in the landfill in 2018. This is the breakdown of the following recycling commodities by category:

Cardboard	275.17
Newsprint/Magazines	94.02
Clear Glass	43.54
Office Paper	71.41
#1-#7 Plastics	63.16
Metal/Tin Cans	48.06
White Goods Metal	288.01
Tires	38.36
Leaves/Yard Waste	124.00
Wood Chips	318.91
Food/Compost	90
Clothes/Textiles/ Re-Use	98.14
Lead Acid Batteries	22.17
Pallets	62.44
Mixed Paper	70.22
Universal Waste	21.6
Electronics	30.14

The Town of Pittsfield continues to provide recycling services the citizens of Pittsfield, Hartland, Solon, Canaan, Detroit and Burnham which helps us lead the way as a friendly customer service oriented Regional Recycling Center. The Recycling Center not only saves tax dollars by eliminating disposal costs but also makes revenue by selling these recovered recyclables. We can recover over \$40,000.00 each year if we continue to save our recyclables from the trash I would like to thank all of the people who continue to support the recycling program and help control solid waste disposal costs incurred by our community.

Respectfully submitted,
Don Chute
Recycling/Transfer Station Coordinator

Pittsfield Public Library 2015 FY Annual Report

www.pittsfield.lib.me.us
www.facebook.com/PittsfieldPublicLibrary

Library Hours
10:00 - 6:00 Monday through Friday
10:00 - 1:00 on Saturday,
Closed Saturdays in the summer

To the citizens of Pittsfield:

Is there a place in your community

- where residents of all ages and incomes visit and enjoy spending their time?
- where people go to hear interesting speakers discuss new ideas, books, and a broad range of topics?
- where you can use a computer with high speed WIFI and access free comprehensive databases?
- where you can get help when applying for a job?
- where there are rooms available for groups and individuals for quiet study, meetings, and programs?
- where you can stop by and take home a book, magazine, music, or movie at no cost?

That is also a place

- that's "owned" by everyone in the community?
- and can be counted on, day after day, to draw people downtown to Pittsfield's Main Street?

Yes, it's your library!

There's been a dramatic change in the mission of a growing number of libraries across the country. Your library is not just a static repositories of books. Your library serves as the hub of your community, providing a broad range of services and activities to people of all ages. It is one of the important economic engines of Pittsfield.

Collection Highlights of Your Library:

- The in-house collection consists of 23,918 items, including 10,953 adult books, 8,461 children's books, 4,504 audio, video, and music items, as well as many magazines.
- Over 6.5 million items are available through cooperation with other libraries in the state.
- The Maine Download Library consortium makes available over 1,600 downloadable eBooks and audiobooks that can be used on an e-reader or audio device.
- 1,491 items were added to the collection. Over fifty individuals and organizations donated 395 items with a value of \$8,100. 1,125 items were withdrawn from the collection.
- Books, magazines, audio books, movies, downloadable audio books, and e-books from the Pittsfield library collection were borrowed 44,102 times by our local patrons and by library users across Maine.
- Local patrons borrowed 47,997 items from our collection and from other libraries.
- Interlibrary loan is an essential service that allows sharing of library collections. 8,230 items were borrowed from other libraries for our patrons through a state and nation-wide interlibrary loan system. 5,877 items from our collection were loaned to patrons in other libraries.

Library patrons had many great experiences at the library:

- The library has 2,257 active patrons. 1,815 are from Pittsfield and 442 are from surrounding towns.
- The staff counted people visiting the library 24,621 times. This is an approximate count as it is a challenge to count people coming in two entrances.
- Patrons used the library's public computers 4,197 times for Internet, social communication, job searches, games, and office applications. In addition, individuals have access to the internet with personal computers through the library's wireless internet connection, even when the library is closed by sitting outside the library.
- 70 children's programs were attended by 1068 children and their caregivers.
- 160 adult programs had an attendance of 1,528 people.
- The library offered great programs all year
 - Weekly story times, "Every Hero Has a Story!" summer reading program, summer children's science festival.
 - Monthly book discussions.
 - Presentations by authors and illustrators – Paul Betit, Jessica Peill-Meininghaus, Russ Cox, and Susan Poulin.
 - "Local and Legendary: Pittsfield in the Civil War" was co-sponsored by the library, the high school and the historical society. Five events included book discussions and speakers including local resident Tom Desjardins and a performance with high school students.
 - The Persis Smith Community Read based on the book "Superstorm: Nine Days Inside Hurricane Sandy" by Kathryn Miles included book discussion and programs with the author, meteorologist Arielle Whooley and Michael Smith from Somerset County Emergency Management.
 - The library hosted a winter student art show and a summer Egg Festival art show.
 - Genealogy workshop presented by our library school student intern.
 - Bone Builders exercise group, children's and adult knitting groups, ukulele group.
 - The Friends of the Library hosted a holiday open house.
 - Reader Dog program with Tansy the Chihuahua, owned by Tiffany Benevento.

Building and grounds

- Surveillance cameras were installed in three locations, funded by the Friends.
- Logan Rollins built three double sided bookcases for the children's room for his Eagle Scout project.
- Six people volunteered their time to spruce up the library during a cleaning party.
- Most of the sidewalk pavers were replaced and coated with a protective sealer.
- Loose roof seams that caused leaks were repaired.

People who help people at the library are so important!

- Staff: Lyn Smith, Holly Williams, MacKenzie Kennedy, Alisha Scamman, Kirsten Hallowell. Liz Gagnon is a substitute and Karen Duplisea served an 80 hour internship.
- Volunteers: Special thanks go to regular volunteers, Don Hallenbeck, Jeanne Boisvert, Sue Leibowitz, Carmen Lessard, Laurie Giles, Lewis Fitts.
- Town public works department: Steve Vance, John Dixon, Dave Connors, Mike Havey, and Timmy McCarthy.
- Town office staff: Kathryn Ruth, Nicole Nickolan, Cammie Jemery, Tonja Lary, and Emmalee Reed.
- Library Board of Trustees: Bette Bagley, Jeanne Boisvert, Heidi Cook, Suzanne Hopkins, and Ann McGowan.
- The Friends of the Library who continue to support the library by holding used book sales, raising funds, providing money for programs, museum pass, building maintenance, and being great advocates for the library.

Respectfully submitted,

Lyn Smith, MSLS ~ Library Director

PITTSFIELD COMMUNITY THEATRE

2015 Annual Report

<http://www.pittsfieldtheatr.yolasite.com>

Theatre Hours are Sunday-Saturday

Theatre is open every evening during the week

Monday is Dollar Night

Doors open at 7:00 PM Movie Starts at 7:30 PM

Matinee are \$3.00 on Sunday

Doors open at 1:30 PM Movie starts at 2:00 PM

I would like to thank everyone at the Town Office and the Building Inspector for all their help and support.

I want to thank the Town Highway Crew for all they do for the Theatre.

I would like to thank the Theatre Board Members for their support: Jim Higgs, Kim Wick, Lori Swartz, Paul Faria, Scott Strom, Zyra Murray

If you would like to rent or have a Birthday party at Pittsfield Community Theatre we have new renting prices so please call 207-487-5461

If you would like to donate money or time to the Theatre Renovation Project please call 487-5461 or mail your donations to Pittsfield Community Theatre 137 Main Street Pittsfield, Maine 04967.

Most of all I would like to **THANK THE PEOPLE** who use and support the Pittsfield Community Theatre.

Pittsfield Community Theatre staff members are Donna Dunphy, Bill Lashon and Jim Lanzikos, and Vanessa Hathaway.

We have other people that donate their time to the Pittsfield Community Theatre and they are Mike Pushard he does the Pittsfield Community Theatre wed-site, Richard Murray, he help with selling tickets and other little projects that need to be done at the Theatre.

Breakdowns of rating look like this:

1---G
19---PG
30---PG-13
4---R

Our attendance look like this:

1,942-Senior
8,390 General
708-Live stage shows/Meetings

11,040- Total at the Gate

Total Expense for the year is:\$119,640.37

Total Revenue for the year is: \$62,636.60

Total loss for the year is: \$57,003.77

Special Movie Showings

Free Movie Bangor Savings Bank

Free Community Movie

- Free Western Movies

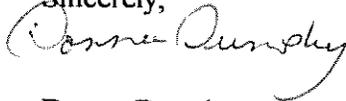

Special Groups/ Meetings/ Rehearsals

- Open House
- Cianbro

Live Concerts/Performance

- 2 Ukulele Russ & Riff Johnson
 - Death by Dessert
 - Benefit For Pete Witham
- J & B Band 100TH Year Anniversary

Sincerely,

Donna Dunphy
Theatre Manager

2015 Sewer Department Town Report

During 2015 the Pittsfield Sewer Department continued replacing sewer mains outlined in the sewer study conducted by our engineers, Olver Associates Inc. of Winterport, Maine. We replaced 8,000 feet of fence around the wastewater plant on McCarty Road.

2015 Water Department Town Report

2015 was another busy year for the Water Department. With all the routine maintenance and spring repairs, we also had a busy summer and fall season. We replaced fire hydrants and repaired 15 water main breaks, as well as a few water service leaks.

I would like to thank the inhabitants of Pittsfield for their understanding and forgiveness while we perform our duties, which include digging up their lawns and streets.

I would like to thank the Town Office staff and all Town Departments for their help as we all serve our community.

Respectfully,

Scott E. Noble
Pittsfield Water Department

TOWN OF PITTSFIELD
OFFICE OF BUILDING AND LOCAL PLUMBING INSPECTOR

ANNUAL REPORT FOR 2015

During the 2015 calendar year 64 permits with a construction value of \$1,308,313 were issued. As a comparison, construction permits for 2014 totaled 53 permits with a construction value of \$1,997,755.00

The total permit fees for 2015 totaled \$2747.49. The breakdown of the type of permits is as follows:

New Single-family residence structures	2
Single-family manufactured housing units	7
New Two family dwelling structures	0
Residential additions	3
Residential renovations	3
Residential accessory structures and decks	8
New Commercial structures	0
Commercial renovations/additions	10
Demolition permits	12
Sign permits	8
Shoreland Zone news structures or additions	4
Flood Zone permits	0
Chicken House/Pen Permits	3
Farm building	2
Permits issued to the Town of Pittsfield	1
Total Permits	64

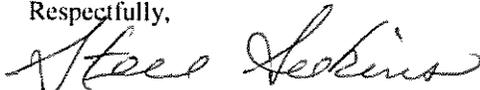

Plumbing permits issued in 2015 totaled 40 permits. Fees collected for 2015 totaled \$3,900.00. Of the 2015 fees, the Town of Pittsfield retained \$2,925.00 with \$975.00 being the State of Maine's share. Water Quality Surcharges total an additional \$90.00, which is paid to the state. The breakdown of the types of plumbing permits issued is as follows:

Internal	32
External (Subsurface Waste Disposal systems)	<u>8</u>
Total plumbing permits	33

I look forward to another year serving the residents of Pittsfield. Please feel free to contact me with your needs, questions, and concerns.

The following page is a summary of the information needed to apply for a Building Permit. This information is provided as a general guide to make the process easier to accomplish. I hope applicants find it useful.

Respectfully,

Steve Seekins
 Building Inspector and Local Plumbing Inspector

PITTSFIELD BUILDING PERMIT SUMMARY

This information was prepared to help builders and homeowners understand the process of construction permitting required by the Town of Pittsfield and by State of Maine. This list may not cover all situations.

The Town of Pittsfield is required to enforce the provision of State of Maine's adoption of the Maine Uniform Building Energy Code (MUBEC). This consists of a Residential Building Code, Residential Energy Code, Indoor Residential Ventilation Code, Commercial Building Code, Commercial Energy Code, Indoor Commercial Ventilation Code and Radon Code. In general all new buildings, additions and alterations projects will be required to be constructed to MUBEC standards. In advance of permitting the submittal of detailed architectural and structural construction drawings for review by the building officials will be required. Commercial and industrial projects will require drawings stamped by state licensed architect or engineer. Several inspections during the phases of construction will be required during the construction project. Building permit applicants should allow from two to four weeks for plan reviews and permitting. Town of Pittsfield Building Inspector will perform construction inspections for one and two family dwellings. Multi family dwelling and commercial and other structures will require the applicant to supply the services of a State Certified Third Party Inspector to perform plan reviews and inspections. MUBEC codes can be viewed on the Internet at <http://www.maine.gov/dps/bbcs/> scroll down on right side of the page and click on "Free viewing of ICC Codes"

Internal plumbing must meet the State of Maine Plumbing Code and a subsurface waste system must meet the State of Maine Subsurface Waste Disposal rules. Electrical and heating systems must also meet the applicable state codes.

If the building is to be connected to town sewer a permit is required from the Pittsfield Water District and Sewer District. Please see the building inspector to start this process.

Following is a list of permits required and how to apply for them.

PERMITS REQUIRED:

The Building Inspector will assist you in determining the types of permits needed. Generally you will need to provide the following information.

A site plan drawn to scale that will show the location of your proposed new building, setback distances from the road or street and property lines, driveway, existing buildings, well, and septic system locations.

Building Plans showing elevation views, floor plans and, framing details. Most plans will require structural design by a state licensed architect or engineer. All commercial and industrial projects will require drawings stamped by state licensed architect or engineer

Building Permit Application (form supplied by the Building Inspector)

A driveway entrance permits are required if a new or changed location of the driveway entrance to the street is proposed. Driveway entrances to state maintained road require a Maine Department of Transportation driveway entrance permit for a new driveway, change in location or change of use.

A Subsurface Waste Disposal System design (septic system) permit or Sewer and Water District Permit if in an area of town where a sewer is available are required.

Note: Internal plumbing and subsurface wastewater disposal system permits and driveway entrance permits must be obtained prior to the issuance of any building permit.

Non-residential buildings require site plan approval by the Town of Pittsfield Planning Board and in most cases a "Construction and/or Barrier Free Permit" from the State of Maine Fire Marshal's Office. This is needed in order to get a building permit from the Town. State Law also requires that plans for these projects be designed by a design professional such as an architect or engineer.

A Town of Pittsfield Shoreland Zoning permit is required for construction within certain distance of lakes, rivers, streams and wetlands.

States of Maine Department of Environmental Protection permits are required for projects that impact on the environment of shore lands or wetlands. (Permit By Rule, Storm Water Permit and Construction Permits to list a few). The building inspector can provide more detail.

Flood plain permit are required if your construction is located in a flood zone.

Before excavating for your project (any mechanical excavation) you must obtain a "Dig Save Permit" the building inspector can provide details.

Once the above permits are obtained progress inspections, completion inspections and Certificates of Occupancy are required to be completed by the Building Inspector before use or occupancy of the building is allowed.

**TOWN OF PITTSFIELD
ASSESSOR'S REPORT
2015**

INDEPENDENT AUDITORS' REPORT

Town Council
Town of Pittsfield, Maine
Pittsfield, Maine

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of the Town of Pittsfield, Maine, as of and for the year ended December 31, 2015, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

3 Old Orchard Road, Buxton, Maine 04093
Tel: (800) 300-7708 (207) 929-4606 Fax: (207) 929-4609
www.rhrsmith.com

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of the Town of Pittsfield, Maine as of December 31, 2015, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information and pension information on pages 4 through 18 and 58 through 62 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Pittsfield, Maine's basic financial statements. The combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and related directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

**REQUIRED SUPPLEMENTARY INFORMATION
MANAGEMENT'S DISCUSSION AND ANALYSIS
DECEMBER 31, 2015**

(UNAUDITED)

The following management's discussion and analysis of Town of Pittsfield, Maine's financial performance provides an overview of the Town's financial activities for the fiscal year ended December 31, 2015. Please read it in conjunction with the Town's financial statements.

Financial Statement Overview

The Town of Pittsfield's basic financial statements include the following components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also includes required supplementary information which consists of the general fund budgetary comparison schedules, pension information, and other supplementary information which includes combining and other schedules.

Basic Financial Statements

The basic financial statements include financial information in two differing views: the government-wide financial statements and the fund financial statements. These basic financial statements also include the notes to financial statements that explain in more detail certain information in the financial statements and also provide the user with the accounting policies used in the preparation of the financial statements.

Government-Wide Financial Statements

The government-wide financial statements provide a broad view of the Town's operations in a manner that is similar to private businesses. These statements provide both short-term as well as long-term information in regards to the Town's financial position. These financial statements are prepared using the accrual basis of accounting. This measurement focus takes into account all revenues and expenses associated with the fiscal year regardless of when cash is received or paid. The government-wide financial statements include the following two statements:

The Statement of Net Position – this statement presents *all* of the government's assets, deferred outflows of resources, liabilities and deferred inflows of resources with the difference being reported as net position.

The Statement of Activities – this statement presents information that shows how the government's net position changed during the period. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows.

Both of the above mentioned financial statements have separate columns for the two different types of town activities. The types of activities presented for the Town of Pittsfield are:

- *Governmental activities* – The activities in this section are mostly supported by taxes and intergovernmental revenues (federal and state grants). Most of the Town's basic services are reported in governmental activities, which include general government, public safety, public works, public services, education and unclassified.
- *Business-type activities* – These activities are normally intended to recover all or a significant portion of their costs through user fees and/or charges to external users for goods and/or services. These activities for the Town of Pittsfield include a sewer department and a water department.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town of Pittsfield, like other local governments uses fund accounting to ensure and demonstrate compliance with financial related legal requirements. All of the funds of the Town of Pittsfield can be divided into two categories: governmental funds and proprietary funds.

Governmental funds: Most of the basic services provided by the Town are financed through governmental funds. Governmental funds are used to account for essentially the same functions reported in governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, the governmental fund financial statements focus on near-term inflows and outflows of spendable resources. They also focus on the balance of spendable resources available at the end of the fiscal year. Such information will be useful in evaluating the government's near-term financing requirements. This approach is known as the current financial resources measurement focus and the modified accrual basis of accounting. Under this approach revenues are recorded when cash is received or when susceptible to accrual. Expenditures are recorded when liabilities are incurred and due. These statements provide a detailed short-term view of the Town's finances to assist in determining whether there will be adequate financial resources available to meet the current needs of the Town.

Because the focus of governmental funds is narrower than that of government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental funds balance sheet and the governmental funds statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities. These reconciliations are presented on the page immediately following each governmental fund financial statement.

The Town of Pittsfield presents only three columns in the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances. The Town's major governmental funds are the general fund and the Economic Development Revolving Loan fund. All other funds are shown as nonmajor and are combined in the "Nonmajor Funds" column on these statements.

The general fund is the only fund for which the Town legally adopted a budget. The Budgetary Comparison Schedule – Budgetary Basis – Budget and Actual – General Fund provides a comparison of the original and final budget and the actual expenditures for the current year.

Proprietary Funds: The Town of Pittsfield maintains two proprietary funds, the sewer department and water department. These funds are used to show activities that operate more like those of commercial enterprises. Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. Like the government-wide financial statements, proprietary fund financial statements use the accrual basis of accounting. No reconciliation is needed between the government-wide financial statements for business-type activities and the proprietary fund financial statements.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the Government-Wide and the Fund Financial Statements. The Notes to Financial Statements can be found following the Statement of Cash Flows – Proprietary Funds.

Required Supplementary Information

The basic financial statements are followed by a section of required supplementary information, which includes a Budgetary Comparison Schedule – Budgetary Basis – Budget and Actual – General Fund, a Budgetary Comparison Schedule – Budgetary Basis – Budget and Actual – General Fund Revenues, a Schedule of Proportionate Share of the Net Pension Liability, a Schedule of Contributions, and Notes to Required Supplementary Information.

Other Supplementary Information

Other supplementary information follows the required supplementary information. These combining and other schedules provide information in regards to nonmajor funds, capital asset activity and other detailed budgetary information for the general fund.

Government-Wide Financial Analysis

Our analysis below focuses on the net position and changes in net position of the Town's governmental activities. The Town's total net position for the governmental

funds is \$14,086,131 at the end of the year. For the business-type activities (water and sewer enterprise funds) the total net position is \$6,557,325 at the end of the year. In total, the net position is \$20,643,456, which is an increase of \$2,110,362 over fiscal year 2014. Most of this increase was due to the increase in governmental funds net income.

The largest portion of the Town of Pittsfield's net position of \$7,782,820 or 55.25% for governmental and \$4,110,292 or 62.68% for business-type, reflects its investment in capital assets (e.g., land, buildings, machinery, and equipment); less any related debt used to acquire those assets that is still outstanding. The Town of Pittsfield uses these capital assets to provide services to citizens. Consequently, these assets are not available for future spending. Although the Town of Pittsfield's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of the Town's governmental activities net position of \$1,661,419 or 11.79% for governmental activities and \$1,806,950 or 27.56% for business-type activities, represents resources that are subject to external restrictions on how they may be used. Unrestricted net position is the part of net position that can be used to finance day-to-day operations without constraints established by debt covenants, enabling legislation or other legal requirements. The Town's unrestricted net position for governmental activities of \$4,641,892 or 32.95% and \$640,083 or 9.76% for business-type activities may be used to meet the Town's ongoing obligations to citizens and creditors.

At the end of the current fiscal year the Town of Pittsfield is able to report positive balances in all categories of net position, both for the governmental and business-type activities.

STATEMENT C

STATEMENT D

TOWN OF PITTSFIELD, MAINE

RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET TO THE
STATEMENT OF NET POSITION
DECEMBER 31, 2015

	<u>Total Governmental Funds</u>
Total Fund Balances	\$ 6,120,916
Amounts reported for governmental activities in the Statement of Net Position are different because:	
Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds, net of accumulated depreciation	7,808,706
Deferred outflows of resources related to pensions are not financial resources and therefore are not reported in the funds	44,619
Other long-term assets are not available to pay for current-period expenditures and therefore are deferred in the funds shown above:	
Taxes and liens receivable	384,716
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds:	
Bonds payable	(24,600)
Capital lease payable	(1,286)
Accrued compensated absences	(147,438)
Net pension liability	(86,458)
Deferred inflows of resources related to pensions are not financial resources and therefore are not reported in the funds	<u>(13,044)</u>
Net position of governmental activities	<u>\$ 14,086,131</u>

See accompanying independent auditors' report and notes to financial statements.

STATEMENT F

TOWN OF PITTSFIELD, MAINE

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND
 CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE
 STATEMENT OF ACTIVITIES
 FOR THE YEAR ENDED DECEMBER 31, 2015

Net change in fund balances - total governmental funds (Statement E)	<u>\$ 1,929,160</u>
Amounts reported for governmental activities in the Statement of Activities (Statement B) are different because:	
Governmental funds report capital outlays as expenditures while governmental activities report depreciation expense allocated to those expenditures over the life of the assets:	
Capital asset purchases	397,734
Capital asset disposals	(5,084)
Depreciation expense	<u>(366,945)</u>
	<u>25,705</u>
Revenues in the Statement of Activities that do not provide current financial resources are not reported.	
Taxes and liens receivable	<u>(93,524)</u>
Deferred outflows of resources are a consumption of net position by the government that are applicable to a future reporting period and therefore are not reported in the funds	
	<u>33,542</u>
Repayment of long-term debt principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position	
	<u>25,825</u>
Deferred inflows of resources are an acquisition of net position by the government that are applicable to a future reporting period and therefore are not reported in the funds	
	<u>(13,044)</u>
Some expenses reported in the Statement of Activities do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds:	
Accrued compensated absences	3,508
Net pension liability	<u>(46,317)</u>
Change in net position of governmental activities (Statement B)	<u><u>\$ 1,864,855</u></u>

See accompanying independent auditors' report and notes to financial statements.
