

Pittsfield Youth Field Hockey

The goal of this program is to introduce the fundamentals of field hockey to girls in grades K-5. Although the 3rd-5th grade girls will play games against teams from surrounding towns, the emphasis will always be to perform skills correctly and safely and to have fun.

Parents are responsible for transporting their children to and from all practices and games. All practices and home games will take place at MCI. Girls should have mouthguards, shinguards, sticks, and water each time. We have sticks to borrow for practice time.
