

## **DISPOSE OF HAZARDOUS WASTE**

Nearly every household has some kind of hazardous waste: old oil base paint, unused pesticides and weed killers. If you dump these types of items down the drain, you'll end up polluting the water supply. They should be disposed of at one of Camden County's Special Household Waste Collections Events.

### **2009 Household Special Waste Collection Days**

<b>March 28<sup>th</sup></b>	<b>Cherry Hill Public Works Complex</b> 1 Perina Blvd.
