Due to the cost of the disposal of materials, a reasonable fee was set for the purchase of a sticker to use the Transfer Station. In addition, we need to clear out all the old stickers as people sell vehicles with stickers on them and on occasion, people have tried to use the facility. For 2020, the stickers are being issued for August – December and will be half priced (see chart)

EFFECTIVE AUGUST 1, YOU CAN NOT USE THE FACILITY UNLESS YOU HAVE A 2020 STICKER.

TRANSFER STICKERS AVAILABLE FOR SALE NOW. You can drop by the Town Office to purchase the sticker; call us on the phone to use your credit card to purchase one and we will send it to you, send in payment by the mail and we will send your new sticker and so forth.
