Welcome to the 45th Annual Central Maine Egg Festival

“The mission of the Central Maine Egg Festival is to provide a venue where small Central Maine non-profit groups can have a successful annual fundraiser.”

Welcome to the 45th Annual Central Maine Egg Festival. It's that time of year again where we can take the day to catch up with our family, friends and neighbors. It's that day where you should stand back and watch your kids face light up when they see the floats in the parade or ride the merry go round. These are the moments that make all this hard work worthwhile. We want to bring the community back together to enjoy one another and to help out our non-profit groups.

Come celebrate the 45 years with us!

Our theme this year is *“Musical Egg-Spression”*. The festival will be having some great bands and musicians this year so please come on out and enjoy. There will be live entertainment Monday night at Hathorn Park and Wednesday thru Saturday at Manson Park.

There will be some new rides and more games this year. The Kiwanis was able to get a new company *“Smokey's Greater Shows”*. There is a new event that is being put on by the Pittsfield Public Library this year, which will be wooden egg decorating. There will be numerous events happening every day.

We would like to thank everyone that helped make this happen. Without your help and support this would not have been possible. We hope everyone has fun and enjoys themselves.

Thank you.

Central Maine Egg Festival Committee

GREETINGS TO ALL:

On behalf of the Town of Pittsfield, I am pleased to welcome all of our Town's citizens and our many guests to the 45th Annual Central Maine Egg Festival.

Play your favorite songs or take out your musical instruments. The theme this year will be a delight for all when "Musical Egg-spression" is celebrated throughout town. With an emphasis upon family and activities for children, this year's event will be another fun filled week. Known as a family-friendly community, we know that people are gearing up for this traditional week. Children in the region certainly look forward to the Egg Festival well in advance of the events.

We hope that all of our citizens have the opportunity to attend this year's festival. The Egg Festival tradition is very important for our community and the region. It has provided a great opportunity for families and friends to see each other and share memories at home comings and family get togethers for many years.

Thousands of visitors will come to the festivities this year to be welcomed by the citizens and businesses of Pittsfield. We encourage you to frequent the Town's businesses, restaurants and organizations. There is something for everyone in this exceptionally friendly town. Please enjoy Pittsfield's hospitality! Visit our beautiful parks and take a brisk walk around "The Mill Pond Loop". We invite you to explore some of the town facilities – our "one of a kind" Pittsfield Community Theatre", the Paul E. Bertrand Community Swimming Pool, the historic Railroad Depot, and the historic Pittsfield Public Library as well as other facilities.

All of the activities planned for this year are through the commitment, hard work and dedication of our small group of Central Maine Egg Festival Committee members and Greater Pittsfield Area Kiwanians. We would like to thank these individuals for their volunteer spirit as well as all of the civic organizations that help make the Egg Festival such a great family event each year. Putting together an activity of this magnitude and complexity requires an amazing amount of dedication. Thousands of people enjoy the rewards of your work. Congratulations to everyone for your amazing community spirit.

Have an "Egg-sellent" time at the 45th annual celebration. Five more years until the BIG 50th birthday celebration for the Central Maine Egg Festival!

Sincerely,

Kathryn Ruth

Egg Festival Marketplace

Chairperson: Dale Goodwin

The Marketplace is a part of Central Maine Egg Festival that brings the finest Artists and Crafters from all over Maine and New England to the green of Manson Park. Within the Marketplace area you can view and purchase from New England's finest display of arts and crafts.

All Arts & Crafts are held to a strict standard of handmade, homemade products with the craftspeople themselves behind the table ready and willing to tell you how each is created for you to enjoy. We hope you take the opportunity to see each and every vendor's display and possibly find some great items to buy and treasure for many years to come.
