TOWN OF PITTSFIELD

1. SCOPE OF SERVICES

The Town is seeking quotations from qualified individuals or firms to provide Masonry Replacement for the Fire Station section of the Municipal Building adjoined to the Town Office. The Masonry Replacement must include the following:

- Removal, disposal and replacement of the masonry bricks along approx. a 78' L x 4' H section of exterior wall of the Fire Station Building adjoining to the Town Office as indicated on the drawing.
- Replacement of the exterior bricks removed shall be replaced with new bricks that match the remaining brick surrounding the area repaired as close as possible. Samples of the brick proposed as the replacement matching brick will be provided to the owner of the building or its designated representative for selection of the brick to be used for the replacement.
- The jointing of the masonry brick work provided shall be as of the same style and type of the surrounding brick masonry and shall be worked to match into surrounding brick masonry that is to remain as near as possible.
- Removal, disposal and replacement of the masonry bricks along the interior exposed wall to a height of 4' within the fire station truck bay that runs parallel to the exterior wall of the Fire Station Building adjoining to the Town Office as indicated on the drawing.
- Replacement of the interior bricks removed shall be replaced with new bricks that match the remaining brick surrounding the area repaired as close as possible. Samples of the brick proposed as the replacement matching brick will be provided to the owner of the building or its designated representative for selection of the brick to be used for the replacement.
