

## TOWN MANAGER'S REPORT

**1. Theatre Special Events:** I was contacted by Cemetery Theatre to have their next movie to be filmed in Pittsfield this summer. The group have a movie scheduled to be presented in the Theatre in April.

**2. School Project:** I was contacted by the Warsaw Middle School and the sixth grade would like to assist with a Mission Statement. They created four brochures listing the things that they like about Pittsfield and a few suggestions about changes that they would like to see. They used the town website for information gathering.
