

Pittsfield Community Theatre Special Meeting 5/4/2019
Meeting Minutes
The Pittsfield Community Theatre

Call to order 1751

Roll call: Ann Mathews, Jennifer Watson, Patty Barry, Jerrylynn Perkins, Donna Dunphy

Discussion:

- The PA system Jerrylynn found that would best suit the theatre's needs is the Fender Passport Event
 - It has Bluetooth compatibility, iPad/computer/phone connections, wireless microphone with receiver, 2 regular microphones, 2 speaker stands, 2 microphone stands.
 - The best deal is from Northern Kingdom for \$1,257.95
- We all discussed that this would benefit the theatre as we have more live events. It would be a draw for groups so they don't need to bring their own equipment.
- Motion to purchase the Fender Passport Event PA system for the Pittsfield Community Theatre; seconded. Vote: unanimous yes. Amber Quint votes yes via email.
- Donna: The committee members are allowed to email votes in
- Discussed how to pay for the PA system:
 - Should we share the cost with another group in town and share the equipment?
 - General discussion and agreement that we should not.
 - Motion to use the funds from the fundraising account to purchase the PA system as soon as possible and then replace the funds from the revenue raised at the spaghetti dinner; seconded. Vote: unanimous yes.
- Meeting adjourned 1755
