Saved for future Town Manager Reports:

1. Moses Martin Re-dedication of the First Homestead: The re-dedication ceremony was held on Saturday, 08/04/2007 by the Pittsfield Historical Society and the Maine State Organization Daughters of the American Revolution. This was a very nice event and well attended. We received a beautiful bronze plaque to place at the Homestead. The homestead site has been cleaned up and there is a path to it now as part of the preservation efforts. The Town is fortunate to own the Peltoma property where the Town Farm and the first Homestead are located. This property also houses the Police Shooting range on the opposite side of the property. For everyone's protection, the site will remain gated. The Historical Society will coordinate with the Town and Police Department to schedule tours of the first Homestead, most likely during the Spring and late Summer/early Fall prior to Hunting Season.

2. Town Maps: The new In-Town and Rural Routes E-911 Road maps are now on the Town's website on the front page under News. They can be downloaded and will print on 8 ½ X 11 paper so they can be printed out at peoples' homes or businesses now.

3. Historical Society Project: The Pittsfield Historical Society is looking for volunteers and donations to assist them with rebuilding the cupola at the caboose and painting the caboose. The caboose needs to be re-painted after the vandalism. In order to paint the caboose, the wooden cupola needs to be rebuilt. Anyone who has carpentry skill would be welcome at the Pittsfield Historical Society to assist them with this very important project which will then allow the painting to take place. They have one volunteer at this time. More are welcome. Anyone who would like to donate or would like more information, please contact Tom Brown at 487-4926 or Clem Spencer at 487-2408.

4. Pittsfield Farmers' Market: Rain or shine all Summer and Fall, the Pittsfield Farmers' Market will be in Hathorn Park until November 1 every Monday & Thursday from 2:00 pm – 6:00 pm. We have new brochures at the Town Office for anyone who is interested.

5. E-911 Implementation: E-911 matches a physical address with a telephone number and this information is displayed on a computer screen to dispatchers. With each letter, the Town opted to purchase and enclose numbers to be placed on everyone's houses and businesses. All numbers are supposed to be up on 05/01/2007, on homes or mailboxes if your house is away from the road. We need your new numbers up so that Public Safety can find you as well as to help the post office, delivery companies and visitors. Remember, the Post Office will deliver your mail up to 1 year from the date of your notification, so you have time to use up your checks, letterhead, etc. With your next order, just order the items with your new address. Copies of the new two-sided map with an urban in-town map and a country roads map is available at the Town Office and Library. More and more people have their numbers up. If your numbers are not up, please put them up. If you have lost your numbers, we have extras available at the Town Office until they run out.

6. Reminder for police issues: If there is an emergency, call 911. If you are calling in a police complaint, please call the regular police number of 487-3101 and relay the issue. The Police voice mails should not be used for filing police complaints. With a rotating schedule and days off, it may be 2 or more days for a police officer to check their voice mail. Complaints need to be answered right off so they can not be left on the officers' voice mail.

7. Water/Sewer Services: With over 60 miles of water and sewer pipes and approximately 700 gate boxes, 1400 service boxes, 500 manholes and 10 sewer cleanouts, the Water and Sewer Department can be kept quite busy. If anyone notices a manhole or box sunken or heaved in the roadway, please call Assistant Water/Sewer Superintendent Scott Noble at the Water/Sewer Garage at 487-5203 listing the road and approximate location. With literally hundreds of these items in the roadway and the difficult winters we are having now, a few of them are going to shift out of place.
